

Whittaker's Chocolate Fundraiser

Hukanui School PTA

Dear Hukanui Families

Tomorrow each family will be issued with a box of Whittaker's Chocolate bars to sell. Each box contains 36 bars, and these are sold for \$2 each. This is our last big fundraiser for the year - if every family at Hukanui School sold one box, we would make over \$20,000 for the school! The money raised will go towards numerous PTA-funded projects and programmes around the school, including improving children's access to the school gully by completing the gully boardwalk.

We have a short selling period of only 2 weeks – money needs to be returned to school in week 6 (26 – 30 August). We'll be set up in the cultural gardens before school each day that week to receive money, and any unsold chocolate bars. Each box will come with a ziplock bag with your child's name on it – the money must be returned in this bag so we can keep track of everything.

If you haven't been involved in one of these before, here are some frequently asked questions.

How are we going to sell 36 bars of chocolate?

From past experience, these chocolate bars practically sell themselves! Here are some suggestions

- Take them to work and leave them at reception or in the lunch room with an honesty box
- Offer them to friends, extended family, neighbours etc – they are getting something for their \$2, unlike a raffle ticket in most cases!
- Take them to any clubs, sports etc that your family is involved with – many waiting parents would love an afternoon treat
- If selling door to door, we recommend limiting it to your local area, making sure the kids look presentable in their school uniforms and know what they're fundraising for, and that an adult is with them or very close by

I've sold my first box easily – can I get more?

Absolutely! Contact Rose Roberts on 027 303 2941 and she can arrange to get another box to you, or see the school office and they'll point you in the right direction. Please do not take a box directly from another family.

I'm struggling to sell my box, what do I do now?

If you've sold some of your box, but can't get rid of the last few, you've got a couple of options.

- You can return the full \$72 to school, and continue to sell your remaining bars as and when you're able (our preferred option)
- Return the money you have made and any remaining chocolate, and we will try to find someone else to sell the remainder of your box
- Please DO NOT pass your box/part box on to another family to sell

We would like to thank you in advance for your efforts in making this fundraiser a huge success!
